

Barbara, didn't you win re-election on a campaign of being against the PATRIOT Act?

I don't know why I voted for it. I keep hearing these rumors that Bully George has a remote control to my brain. That would also explain why I voted for that Secretary of Homeland Security who drowned the people of New Orleans. I know how I can redeem myself. I'll go down to New Orleans and tell the people Bully George made me do it.

That's a good boy. Thank you for helping me end freedom in America.

Any time. May I have a doggie biscuit?

The President of Iran created Hurricane Katrina and drowned the people of New Orleans. We must attack.

Yes. After all, all the weapons of mass destruction in the world are now in Iran.

Yes. And we need to get revenge for Iran killing those six million Jews in the Nazi death camps.

Now how is it that these adult veg-heads have the vote when kids who know better are considered to immature to vote?

So, "You are a terrorist. We hate you," in Pakistani means the same thing it does the other countries we've visited?

Yes. Correctly translated, it means "We think you are a wonderful leader and we want you to run our country, too."

It feels so nice to be loved by everyone.
