

Why are we prisoners of a school system designed to wipe out our minds and prevent us from doing anything useful for 13 years?

The American elite class needs a slave labor class. That's the sole purpose of the mandatory attendance law. By the time kids turn 18, their minds are gone.

So, the best that thing would be for our generation to ignore our teachers, walk out of schools, and educate ourselves.

But then we wouldn't be paid \$50 per student per day to turn you into zombies.

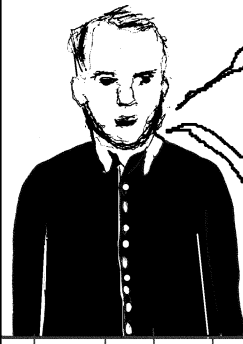

INTERNAL REVENUE SERVICE

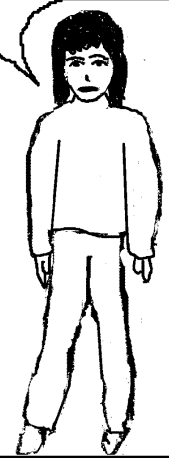

Yes. Like other kids, you are required to pay taxes without any say in where those taxes go? You might demand we stop wars and help the environment if you had the vote.

What was it that Samuel Adams said when they threw the tea into the water? Something about "No taxation without representation?"

How should I know? I forgot about history and government the day I finished high school.

Clerk

Those anesthesiologists stopped me from executing the Easter Bunny and now I have to waste my Easter watching our kids find where the Easter Bunny hid the Easter eggs. And both Dennis and Russ have bills in Congress calling for an abolition of the death penalty. This is terrible. Terminating human life forms is my purpose in life.

Maybe you can go to Iran and help our government nuke the little kids there.

Now I am really proud of you, the leaders of the loyal opposition, for remembering your loyalty is to me and for boycotting those censure hearings. Now, I want

Slaughterhouse

you to follow me into this building. That's just an old sign on the building. Now, this place processes treats for chickens.

Democratic Leadership

Will this be the end of the leaders of the loyal opposition?  
Will somebody rescue them?  
Check out next week's comic.
